There is a central dining hall with delicious food & plenty of it; modern warm water private showers, & a Trading Post with BSA supplies, souvenirs, snacks, slushies & more; & all the traditional program areas you expect in a scout camp, and some other features that make us special. Customer Service is number 1 at Camp Merz, and our camp is manned with a well-trained and enthusiastic staff that stands ready to make your vacation with your scouts a memorable experience.

About Camp Merz

We're over 85 years young this year, and located to the south of Mayville on Chautauqua Lake. 350 acres of beautiful hardwood forest and evergreens welcome your scouting experience. The 1000 feet of our waterfront on the lake provides opportunities for fishing, swimming, rowing, canoeing, motor-boating, sailing, water-skiing, kayaking and paddle boarding.

Our shooting sports ranges offer skeet shooting in addition to 22's and black powder. Bowtrap is a feature at the Archery Center, it's kind of like skeet archery that is sure to challenge your Scouts. The scenic views around the lake & along the Portage Trail are just great. We are about two miles away from the Chautauqua Institution, & 20 minutes from the new National Comedy Center in Jamestown, as well as many other attractions around the Chautauqua Region.

CAMP FEE
410.00

Twice as Nice

Fee: \$285 (on second week)

If your scout or scouts want to attend a second week of camp you can do so at a discounted price!

Don't have a Troop or leader to come with them? See below about provisional camping.

Provisional Camping

Have a scout who can't attend with your Troop? That's OK!

Provisional camping is a program for those scouts who would like to attend camp whether or not their own Troop is attending. These scouts will either form a provisional Troop and a provisional scoutmaster and assistant will be assigned to them or be assigned to another Troop that has adequate leadership. If the scouts are returning for an extra week at the "Twice as Nice Price" from a previous week they will be provisional their second week, so it's not a problem for a scout to attend one week with his Troop and stay another week as a provisional camper.

What Will Your Scouts Do at Camp?

In addition to working on Merit Badges, our camp offers a wide variety of Troop, patrol and individual activities to make your week an adventure your scouts won't soon forget. You will have options for Troop swims, patrol shoots, patrol vs. patrol competitions and camp wide events. Various hikes, treks, and outposts will be offered within and out of camp. Your scouts may want to take advantage of our beautiful surroundings on an individual basis with a buddy through activities like twilight fishing, walking our nature trails or watching the wildlife around camp.

Pre-Camp Leaders Meeting and Parent Orientation

There will be pre-camp leaders' meetings on **Thursday, May 5 at 7pm and Saturday, May 7th at 10AM** at camp to give leaders a chance to get all the up to date information about camp programs, look at schedules, and review important information to make your stay at camp a comfortable and enjoyable experience. It is highly recommended that at least one Troop leader attends.

Resident Camp Leadership

The preferred method of camping in the BSA is that the individual Troop camp under its own leadership. It is BSA policy that 2 adults must attend every Troop activity. Free leaders are based on 1:10 adults to youth ratio (1 leader free with every 10 scouts in the Troop). **Additional leaders are welcome to attend at a cost of \$165 for the week**; if you have additional leaders who will only be at camp for a portion of the week, they are asked to pay for their meals: \$5 breakfast, \$6 lunch, and \$8 for supper. ALL adults attending with the Scouts must be a registered member of the BSA. All adults attending camp are required to complete the BSA's Youth Protection Training program prior to arrival.

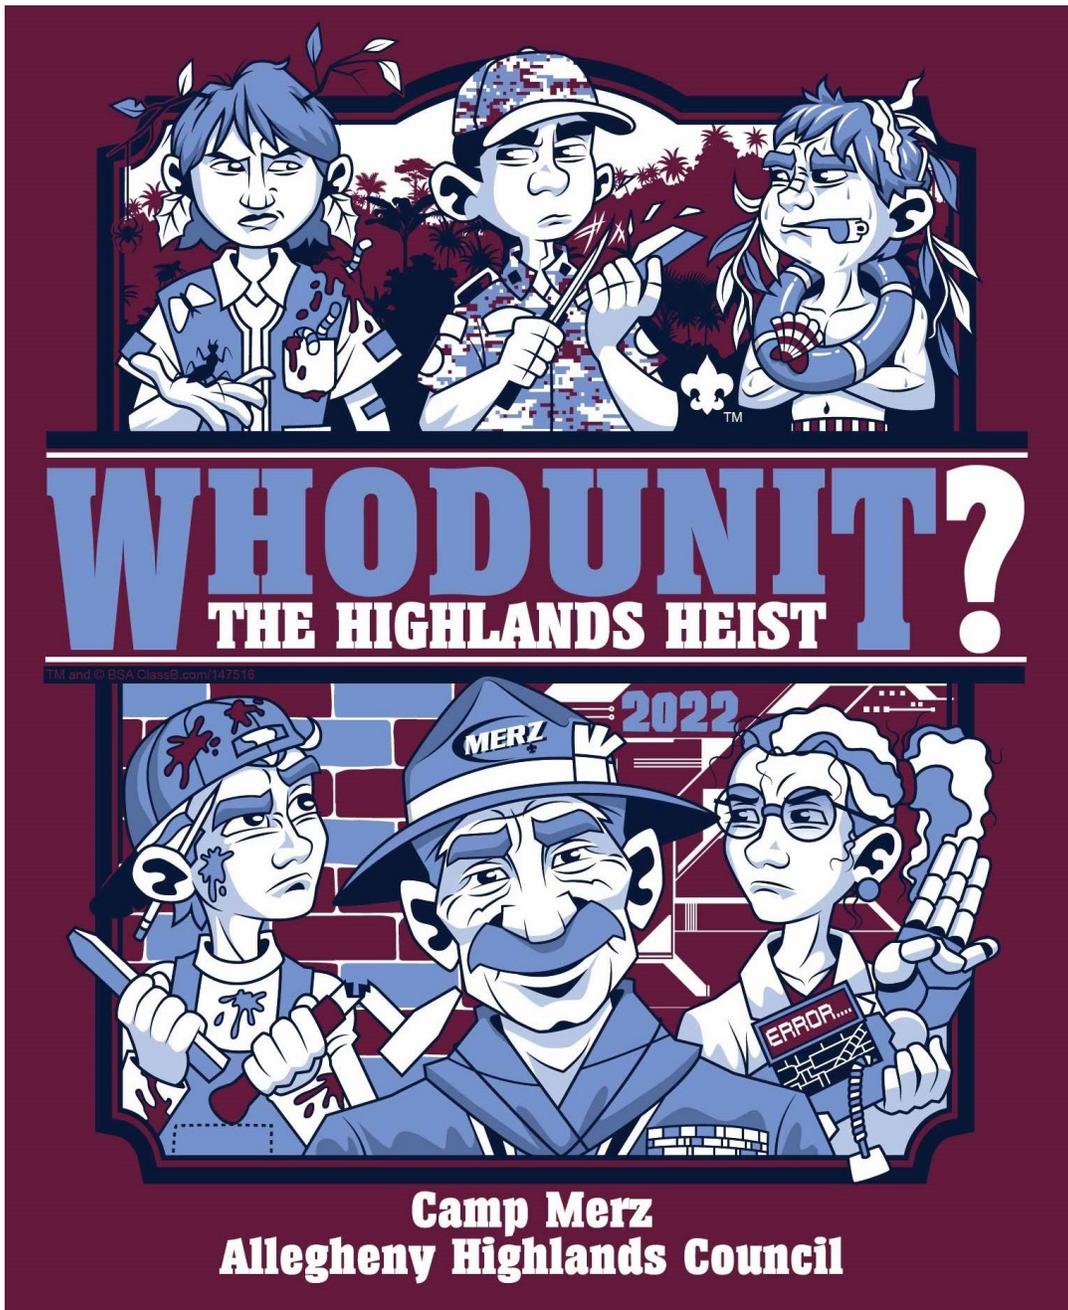

Anyone staying at camp more than 72 hours needs to have parts A, B & C completed health form.

Discount Incentives

There is a \$20 discount for Troops that recharter on time and submit their JTE Form. (Allegheny Highlands Council Troops)

Camp Merz, BSA 2022
WHODUNIT?
The Highlands Heist

The morning quiet at a BSA camp located in Western New York has been shattered by a string of unarmed burglaries! A gang of shady characters attempting to throw the program into disarray have moved with preparedness and precision, evading surveillance thus far. Very few concrete details are available to Camp Management at this time, but authorities are referring to these collective incidents as the *Highlands Heist*. Join us at Camp Merz BSA for our 2022 resident camping season to unravel the many loose ends of this year's theme, and find out once and for all . . . WHODUNIT?!

OUR PROGRAM FEATURES

Polaris: (First-Year Camper Program) The Polaris area is tucked into the woods along the road to the water-front. Polaris is set-up as a model campsite. Our First Year Program is designed to help new scouts develop basic camping skills as well as earn various requirements for Tenderfoot, Second and First Class ranks. Our Polaris staff has designed a program that fits the needs of our younger scouts, combining games, hands on activities, and demonstrations to peak their interest and provide them with opportunities to practice skills they can then bring back to their Troop.

Shooting Sports Complex

We are very proud of our Shooting Sports program at Camp Merz. Over the years we have been upgrading all of our ranges in order to better serve scouts interested in shooting sports. An additional change we have made to all our shooting sports merit badges, is to require interested scouts to complete sections of the merit badges before camp, which frees them up for more Range time during each session.

Rifle / Shotgun: The Rifle/Shotgun Range is located further up the hill past Scoutcraft, tucked into the woods by the road leading up to East Hill. We have upgraded our classroom pavilion by adding solar powered electricity, making it easier to use through the summer season.

Archery: At the end of the nature trail you can find our Archery Range. creating new, easier to move targets, we have created a separate classroom allows our archery staff to safely conduct two activities during a given session.

In addition to our camp ranger building near the range. This

Bow Trap: We have added a brand new shooting activity area, thanks to a recent grant. To understand bow trapping, think of skeet shooting combined with archery, which equals fun! Leaders and scouts will be able to use their archery skills to shoot at flying reusable targets.

Trail to Eagle Center:

Our Trail to Eagle program was established to offer scouts (ranked Star or higher) a chance to earn several Eagle required merit badges. While we will continue to reserve some merit badges for scouts who have earned at least Star rank, we are expanding our program to offer more merit badges for all scouts. This camping season we will have American Business, American Labor, Traffic Safety, and the NEW Citizenship in Society for age 15+.

Nature / Ecology:

Located near Jamboree Field the Nature/Ecology Lodge offers a wide variety of nature related badges from Animal Science to Environmental Science. Scouts who want to learn more about the natural world will find plenty to do at our Nature Lodge. During merit badge sessions the lodge itself often looks empty, since our nature staff rarely teaches inside!

Handicraft:

Our Handicraft Lodge is also located in the middle of main camp. Scouts wishing to be creative can take Wood Carving, Leatherworking and other hand crafting merit badges. Last year our creative staff even offered a theme related “outpost” alternative for scouts not interested in an overnight outpost adventure. During the 2022 camp season the Handicraft staff will also be offering Inventing and 2 single day merit badge sessions offering Basketry & Fingerprinting.

Scoutcraft:

Up the hill from main camp is Scoutcraft. Scoutcraft is all things outdoors, from merit badges that offer practical skills scouts will need throughout their lives both in and out of scouting, such as First Aid & Camping, to ones that introduce additional outdoor related activities, Backpacking, & Pioneering. Our staff will also introduce scouts to easy leave no trace practices that will help them responsibly use outdoor recreational areas.

Outpost Camps

These programs allow Scouts to take an overnight excursion to remote areas of the camp property or even off camp property! Some are required for Merit Badges and they are all fun and open to every Scout. These outposts are the highlight of the week at camp, providing some of the most exciting experiences that a Scout could dream of. Outposts will be required for Wilderness Survival MB, Camping MB, Canoeing MB (**must be 14 or older**), Astronomy MB and suggested for the Polaris First-Year Program. We will also be offering Kayaking (must be 15 or older) and Skills which are open to all scouts. The Older Scout Program, for scouts 15 years or older, will also have their own outpost.

Please see the Camp Merz Guide for a list of materials to bring for outpost, ALL SCOUTS MUST COME PREPARED! As part of our Green Initiative each scout is required to bring a mess kit for Outpost.

Technology Center

Right near the Handicraft Lodge sits the Technology Center. Our Technology lodge also serves as a computer lab, allowing scouts to work on research for their merit badge requirements. Merit Badge offerings include Electronics and Electricity to Game Design and Architecture scouts interested in exploring various forms of technology will find that our tech merit badges will peak their interest.

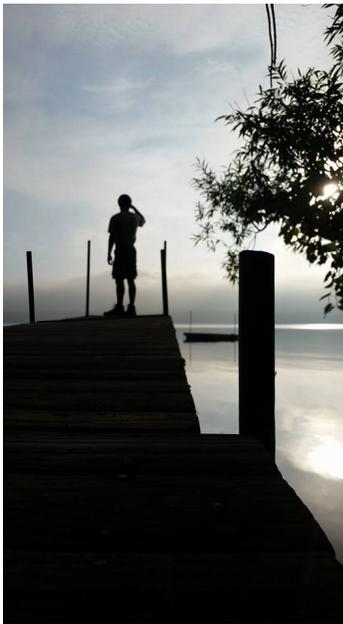

Aquatics Center

Being on the beautiful shore of Lake Chautauqua, our waterfront can offer a wide variety of water related merit badges. Again this year we will offer our popular water craft merit badges along with Swimming and Lifesaving. New this year our waterfront staff plans on offering additional programming for Leaders and older scouts (15 years and up) who are looking to expand their outdoor skills. This programming will include Swimming Safety, Water Rescue and Paddle Craft Safety. Scouts interested in Paddle Craft Safety must have earned either Canoeing or Kayaking merit badge.

****CLOSED-TOED WATER SHOES ARE REQUIRED FOR ALL PARTICIPANTS IN ANY AQUATICS ACTIVITY - NO EXCEPTIONS****

Field Activities (M.O.O.S.E)

Biking; Hiking; Swimming; Kayaking; and more; Sound like blast! Come try out our program if you are a scout 15 years or older. Older Scout activities will be offered twice daily. They will have their own outpost as well.

Chapel

The Brennan Chapel, named after Franciscan Friar Father Brennan who drowned in the Allegheny before his time, was a great scouter in our council who led by example, and missed by those who knew him. He helped build the chapel and it is a wonderful quiet spot in camp to sit and reflect, and be with our maker, as we practice the 12th point of the Scout Law.
