About Camp Merz

We are 90+ years young, and located just south of the Village of Mayville on Lake Chautauqua. 350 acres of beautiful hardwood forest and evergreens welcome your scouting experience. The 1000 feet of our waterfront on the lake provides opportunities for fishing, swimming, rowing, canoeing, motor-boating, sailing, water-sports, kayaking and stand up paddle boarding.

Our shooting sports ranges offer skeet shooting in addition to 22's and black powder.

The scenic views around the lake & along the Portage Trail are just great. We are about two miles away from the Chautauqua Institution, & 20 minutes from the new National Comedy Center in James-town, as well as many other attractions around the Chautauqua Region.

Swashbucklers are converging on the Allegheny Highlands in a race for gold and glory! CAMP FEE

525.00

Twice as Nice

Fee: \$400 (on second week)

If your scout or scouts want to attend a second week of camp you can do so at a discounted price!

Don't have a Troop or leader to come with them? See below about provisional camping.

Provisional Camping

Have a scout who can't attend with your Troop? That's OK!

Provisional camping is a program for those scouts who would like to attend camp whether or not their own Troop is attending. These scouts will either form a provisional Troop and a provisional scoutmaster and assistant will be assigned to them or be assigned to another Troop that has adequate leadership. If the scouts are returning for an extra week at the "Twice as Nice Price" from a previous week they will be provisional their second week, so it's not a problem for a scout to attend one week with his Troop and stay another week as a provisional camper.

Discount Incentives

There is a \$30 discount for ALL Troops paying before 4/1.
Merit badge registration open 4/15 for all paid in full

What Will Your Scouts Do at Camp?

In addition to working on Merit Badges, our camp offers a wide variety of Troop, patrol and individual activities to make your week an adventure your scouts won't soon forget. You will have options for Troop swims, patrol shoots, patrol vs. patrol competitions and camp wide events. Various hikes, treks, and outposts will be offered within and out of camp. Your scouts may want to take advantage of our beautiful surroundings on an individual basis with a buddy through activities like walking our nature trails or watching the wildlife around camp.

Pre-Camp Leaders Meeting and Parent Orientation

There will be pre-camp leaders' meetings on **Thursday, May 9th at 6:30pm** and **Saturday, May 11th at 10AM** at camp to give leaders a chance to get all the up to date information about camp programs, look at schedules, and review important information to make your stay at camp a comfortable and enjoyable experience. It is highly recommended that at least one Troop leader attends.

Resident Camp Leadership

The preferred method of camping in the BSA is that the individual Troop camp under its own leadership. It is BSA policy that 2 adults must attend every Troop activity. Free leaders are based on 1:10 adults to youth ratio (1 leader free with every 10 scouts in the Troop). **Additional leaders are welcome to attend at a cost of \$225 for the week;** if you have additional leaders who will only be at camp for a portion of the week, they are asked to pay for their meals: \$8 breakfast, \$9 lunch, and \$10 for supper. ALL adults attending with the Scouts must be a registered member of the BSA. All adults attending camp are required to complete the BSA's Youth Protection Training program prior to arrival.

Anyone staying at camp more than 72 hours needs to have parts A, B & C completed health form.

OUR PROGRAM FEATURES

Polaris: (First-Year Camper Program) The Polaris area is tucked into the woods along the road to the waterfront. Polaris is set-up as a model campsite. Our First Year Program is designed to help new scouts develop basic camping skills as well as earn various requirements for Tenderfoot, Second and First Class ranks. Our Polaris staff has designed a program that fits the needs of our younger scouts, combining games, hands on activities, and demonstrations to peak their interest and provide them with opportunities to practice skills they can then bring back to their Troop.

Shooting Sports Complex

We are very proud of our Shooting Sports program at Camp Merz. Over the years we have been upgrading all of our ranges in order to better serve scouts interested in shooting sports. An additional change we have made to all our shooting sports merit badges, is to require interested scouts to complete sections of the merit badges before camp, which frees them up for more Range time during each session.

Rifle / Shotgun: The Rifle/Shotgun Range is located further up the hill past Scoutcraft, tucked into the woods by the road leading up to East Hill. We have upgraded our classroom pavilion by adding solar powered electricity, making it easier to use through the summer season.

Archery: At the end of the nature trail you can find our Archery Range. In addition to our camp ranger creating new, easier to move targets, and we have created a separate classroom building near the range. This allows our archery staff to safely conduct two activities simultaneously during a given session.

Trail to Eagle Center:

Our Trail to Eagle program was established to offer scouts (ranked Star or higher) a chance to earn several Eagle required merit badges. While we will continue to reserve some merit badges for scouts who have earned at least Star rank, we are expanding our program to offer more merit badges for all scouts. This camping season we will have Citizenship in the community, Citizenship in the nation, Citizenship in Society, Citizenship in the World, Communication and Personal Management.

Nature / Ecology:

Located near Jamboree Field the Nature/Ecology Lodge offers a wide variety of nature related badges from Astronomy, Bird Study, Energy, Environmental Science, Forestry, Geology, Mammal Study, and Reptile & Amphibian Study. Scouts who want to learn more about the natural world will find plenty to do at our Nature Lodge. During merit badge sessions the lodge itself often looks empty, since our nature staff rarely teaches inside!

Handicraft:

Our Handicraft Lodge is also located in the middle of main camp. Scouts wishing to be creative can take Wood Carving, Leatherworking and other hand crafting merit badges. During the 2024 camp season the Handicraft staff will also be offering Inventing and 2asingle day merit badge sessions offering Fingerprinting.

Scoutcraft:

NEW!! This year ScoutCraft has moved to a more convenient space on the road to Waterfront, in front of Polaris. Scoutcraft is still all things outdoors, from merit badges that offer practical skills scouts will need throughout their lives both in and out of scouting, such as First Aid & Camping, to ones that introduce additional outdoor related activities, Wilderness Survival & Pioneering. Back by popular demand is the COOKING Merit Badge. Our staff will also introduce scouts to easy leave no trace practices that will help them responsibly use outdoor recreational areas. MOOSE: Our older scout program will be offered by Scoutcraft staff.

NEW FOR THE 2024 CAMPING SEASON!

We are thrilled to announce that the Cooking Merit Badge is back! This year we are offering two extended merit badge sessions for scouts interested in earning the cooking merit badge. How will this work, you ask?

The basic layout for each day includes an extended teaching session combined with a hands-on cooking session. The first program session will start at 10:00 am and will continue throughout the lunch/siesta block. The first two blocks (10:00 am -11:45 am) will consist of teaching followed by a hands-on cooking session (12:00 pm- 2:00 pm). The second program session will start at noon when scouts will join the morning crew cooking, then they will stay until 3:45 for their two teaching blocks (2:00 pm - 3:45 pm).

Outpost Camps

These programs allow Scouts to take an overnight excursion to remote areas of the camp property or even off camp property! Some are required for Merit Badges and they are all fun and open to every Scout. These outposts are the highlight of the week at camp, providing some of the most exciting experiences that a could dream of. Outposts will be required for Wilderness Survival MB, Cooking MB, Camping MB, Canoeing/Kayaking MB (**must be 14 or older**), and suggested for the Polaris First-Year Program There is a possible Astronomy field trip or outpost.

Please see the Camp Merz Guide for a list of materials to bring for outpost, ALL SCOUTS MUST COME PREPARED! As part of our Green Initiative each scout is

Technology Center

Right near the Handicraft Lodge sits the Technology Center. Our Technology lodge also serves as a computer lab, allowing scouts to work on research for their merit badge requirements. Merit Badge offerings include Electronics to Game Design and Robotics. Scouts interested in exploring various forms of technology will find that our tech merit badges will peak their interest.

Aquatics Center

Being on the beautiful shore of Lake Chautauqua, our waterfront can offer a wide variety of water related merit badges. Again this year we will offer our popular Water Sports merit badges along with Swimming, Lifesaving, Motor Boating, Small Boat Sailing, Stand Up Paddleboard and Snorkling BSA..

****CLOSED-TOED WATER SHOES ARE REQUIRED FOR ALL PARTICIPANTS IN ANY AQUATICS ACTIVITY - NO EXCEPTIONS****

Chapel

The Brennan Chapel, named after Franciscan Friar Father Brennan who drowned in the Allegheny before his time, was a great scouter in our council who led by example, and missed by those who knew him. He helped build the chapel and it is a wonderful quiet spot in camp to sit and reflect, and be with our maker, as we practice the 12th point of the Scout Law.
