

Adult Leader Policies

Adult Supervision

Two registered adult leaders 21 years of age or over are required at all Scouting activities, including all meetings. There must be a registered female adult leader 21 years of age or over in every unit serving females. A registered female adult leader 21 years of age or over must be present for any activity involving female youth or female adult program participants.

Notwithstanding the minimum leader requirements, age and program-appropriate supervision must always be provided.

All adults staying overnight in connection with a Scouting activity must be currently registered as an adult volunteer or an adult program participant. Adult volunteers must register in the position(s) they are serving in. Registration as a merit badge counselor position does not meet this requirement.

Adults are not considered eligible until their background check has been completed per the policy below.

All adults attending must have current YPT and prove it at camp check-in.

New Adult Application Process

A new adult application process will be implemented on Monday, March 4th. At that time, the adult application process will change to require that the results of the Criminal Background Check (CBC) must be received BEFORE the new adult volunteer can assume a leadership role.

Once an adult application is processed, the person is put in "pending." The adult leader will get an email notice informing them their registration is being processed and they are NOT TO ASSUME ANY LEADERSHIP ROLE UNTIL THE COMPLETION OF THE CBC PROCESS. The unit key 3 will also get an email.

An email will be sent to the applicant and unit key 3, stating the applicant can now be an active leader when the CBC results are acceptable.
